## Experience Work

### Team Member

**2023 - Present | JB Hi-Fi**

Creating visually appealing displays, maintaining accurate pricing, and implementing effective merchandising strategies. My attention to detail and collaboration with the team have enhanced the overall shopping experience for customers, contributing to a well-organized and attractive retail environment.

### IT and Marketing Intern

**2021 - 2022 | DUX IT Penrith**

Created numerous articles and posts for several clients. Able to discuss and plan out marketing strategies with other members of the company. Displayed instant response time with task completion and communication.

### Chess Instructor

**2022 - Present | Trainstein Chess College**

Ability to teach chess to primary school students in a fun, intellectually stimulating environment that also introduces them to critical thinking and problem solving strategies. Able to plan and prepare topics for the students to learn.

### Primary/High School Tutor

**2021 - 2025 | Tutor Doctor**

Meet students at their homes and go over their homework assignments in the applicable subject area. Liaison with students about specific difficult topics or subject areas. Liaison with parents on schematics on education for the students.

## Education

**UNSW - 2021 - 2025**

- Currently studying Computer Science and Mechatronic Engineering
- President of the UNSW Chess Club - 2022
- Currently on a Distinction WAM

# Joshua Cruzado

**UNSW Student - studying  
Computer Science and  
Mechatronics Engineering**

## About Me

I am currently a fifth-year university student in the University of New South Wales. I have worked in numerous areas such as IT, Marketing and Tutoring and I have also worked in industries such as retail and hospitality. Additionally, I had spent my time leading my university's chess club making it to be Australia's biggest university chess club. Finally, I volunteer in my local church, leading the youth group and assisting in social media and tech.
